**Larimer County Workforce** Center (LCWC) is looking to place an Intern with a company in Berthoud. We have a young man who has a career interest in life science. He feels a pull toward meteorology but is looking to build work skills in any life/environmental science field. This would be for a very entry level position and he is open to any work experience that a business could provide him. He lives in Berthoud and would love to be introduced to a professional, science environment. We would look to the employer to offer work experience, skill development and some mentoring.

LCWC internships run up to 300 hours total and can range from 10-40 hours a week, based upon business need and the intern's availability. The intern works for the business and through our program at the LCWC, we pay their wages and taxes.

**Thompson Valley EMS** is asking community businesses and organiza-

tions that have automatic external defibrillators (AED) on site to call the ambulance service so it can log the locations into its database. AEDs are portable devices designed to check a person's heart rhythm and deliver an electric shock to resuscitate individuals experiencing sudden cardiac arrest. Thompson Valley EMS is asking anyone with an AED to call Paramedic Tim Zimmerman at 970-775-7126.
